Italian Tiramisu with Cannabis

Hello, I am Nonna Cannabis "The Italian granny who cooks with herbs".

Today we are going to prepare a famous Italian dish called Tiramisu, only for this time we will put some cannabis on it.

Ingredients:

- 5 eggs
- 1 cup of sugar
- Bitter cocoa powder
- Bitter Coffee
- 5 cannabis leaves
- Savoiardi cookies (sponge cake)
- 500 grams of mascarpone cheese or can be any cream cheese.

Preparation:

First step, beat the white one to the point of snow and prepare the Italian coffee by adding the leaves of marihuana (strong coffee, not watery). Then, beat the yolk of the egg with the sugar and add the mascarpone cheese and the white one to the point of snow little by little.

Dip the cookies in the coffee with marijuana and place them in a rectangular mold. Place cookies also on the walls of the mold. Next, add a layer of the mixture on top of the cookies and then another layer of cookies and another layer of the mixture, until finished. Add abundant cocoa powder on top, place the Tiramisu in the fridge (freezer) and for a time of 120 minutes. Then remove the Tiramisu from the refrigerator and store it in the refrigerator before serving.

This has been all for this week, and do not forget:
